

International Conference on Computing Science, Communication and Security (COMS2)

March 26th -27th, 2020

Venue: Ganpat University, Mehsana, Gujarat, India
[Online Virtual Conference held through Zoom Meeting]

Best Research Papers Awards

Session Track-1: AI and ML		
Paper ID	Paper Title	Authors
15	Applications of classical and deep learning techniques for polar bear detection and recognition from aero photography	Mikhail A. Nakhatovich ^{1,2} , Ilya Y. Surikov ^{1,2} , Dr. Vladimir Chernook ³ , Natalia Chernook ³ , Daniil A. Savchuk ^{1,2} 1 Peter the Great St. Petersburg Polytechnic University (SPbPU), Russia 2 ITSociety LTD, Russia, 194100, St. Petersburg, Diagonalnaya, Russia 3 Autonomous Non-Commercial Organization «Ecological Center «ECOFACOR», 194044, St. Petersburg, Russia
Session Track-2: Networking and Communication		
18	A New Channel-Aware Downlink Scheduling Algorithm for LTE-A and 5G HetNets	Flávio Alves Ferreira ¹ and Paulo Roberto Guardieiro ² 1 Instituto Federal do Triângulo Mineiro – IFTM, Paracatu/MG, Brasil 2 Universidade Federal de Uberlândia – UFU, Uberlândia/MG, Brasil
Session Track-3: Computing Science and Security		
79	Signature based malicious behavior detection in Android	Vikas Sihag ^{1,2} , Ashawani Swami ¹ , Manu Vardhan ² and Pradeep Singh ² 1 Sardar Patel University of Police, Security and Criminal Jusitce, Jodhpur, India 2 National Institute of Technology, Raipur, India
