

International Conference on Computing Science, Communication and Security (COMS2-2021)

February 6-7, 2021

Ganpat University, Gujarat, India

<http://coms2.gnu.ac.in/>

CALL FOR ATTENDEE PARTICIPATION – (VIRTUAL)

Springer International Conference on Computing Science, Communication and Security (COMS2) will be held at Ganpat University, Gujarat, India on 6th -7th February 2021. COMS2-2021 aims at bringing together and providing an international forum for innovative researchers and practitioners from academia, industry and service providers working all around the world to discuss and address the challenges posed by innovation in Artificial Intelligence (AI) and Machine Learning (ML), Network Communication and Cyber Security.

Registered Participants provides access to all the conference tracks, keynote address including technical paper presentation on 6th – 7th February 2021 and get Conference Certificate.

FOUR KEYNOTES:

Plenary Session Talk 1: **Artificial Intelligence for Science**

Speaker: **Professor (Dr.) Ian T. Foster**, Father of Grid Computing, Professor of Computer Science, University of Chicago, USA

Plenary Session Talk 2: **Neoteric Frontiers in Cloud and Edge Computing**

Speaker: Professor (Dr.) Rajkumar Buyya, Director, Cloud Computing and Distributed Systems (CLOUDS) Lab, The University of Melbourne, Australia

Plenary Session Talk 3: **Resetting The Universities After COVID-19**

Speaker: **Professor (Dr.) Akshai Aggarwal**, Professor Emeritus, University of Windsor, Canada, Ex. Vice Chancellor, Gujarat Technological University, Ahmedabad, India.

Plenary Session Talk 4: **Impact of Emerging Technologies and Challenges in Cyber Physical System and Embedded IoT for Industrial Revolution**

Speaker: **Dr. K. K. Soundra Pandian**, Scientist for Government of India (GoI), Ministry of Electronics and Information Technology, Office of Controller of Certifying Authority (CCA), New Delhi, India

NINETEEN TECHNICAL SESSIONS:

Oral paper presentation of accepted papers in research track area of (i) Artificial Intelligence (AI) and Machine Learning (ML) and (ii) Network Communication and Cyber Security.

****REGISTRATION****

Indian Participants as an Attendee:	Foreign Participants as an Attendee:
Academicians/Full Time Researcher: - 1,000/- + Taxes (18%) INR,	Academicians/Full Time Researcher:-100 + Taxes (18%) USD
Industry Professional: - 1,500/- + Taxes (18%) INR,	Industry Professional: - 150+ Taxes (18%) USD
Student (Ph.D, PG, UG):- 500/- + Taxes (18%) INR,	Student (Ph.D, PG, UG):- 50 + Taxes (18%) USD

- Please note that the registration fees shown above are excluding GST. Additional GST@18% and applicable payment gateway charges if any will be added at the payment page and have to be borne by the registrant.
- Registered Participate can get Conference Certificate and attend all two days program.
- Due to the COVID-19 pandemic, COMS2-2021 Conference will take place virtually and online using Zoom video conferencing tools.
- Registration fee can be paid online

To register, please check: <http://coms2.gnu.ac.in/registration/>

More details on the virtual conference are available at: <http://coms2.gnu.ac.in/>

We are looking forward to virtually meeting you soon at the COMS2-2021 online conference!

Thanking you!
